

Dear Friends,

We are pleased to announce that our Fall 2004 Catalog is posted on our website, www.jerusalembooks.co.il and the hardcopy / booklet has been mailed.

As the cover will reveal we have from Begin to Beilin. In other words everything published in Israel. The biography of 'Begin', by Zvi Hurwitz, appears on the cover of the English side of our catalog and is published by Gefen, (cat # 51690, \$21.00).

Yossi Beilin's book, obviously at the other end of the spectrum and at the other end of our catalog is called 'Me-hahula ad Geneva,' chronicles the long journey from the challenges and concepts at the time of Israel's founding to today and beyond. (cat. # 50719, publ. Yediot – Hemed, \$21.00)

The well known Israeli legal analyst, Moshe Negbi, published his book 'Kesdom Hayinu, (Coming Apart – From Democracy to Banana Republic) - cat. # 50817, Keter, \$21.50.

See our Diaspora Communities section for important books on the Jews of Morocco, Romania and Kurdistan.

In our previous short notice we highlighted some great Israeli music CDs, including Arkadi Duchin's latest. And I must say, in his popular song, 'Mi Ohev otah yoter mimeni,?' he asks some significant questions, which range from God's intervention in human life, to how long his beloved will be his, and why is she silent?

All of us here in Jerusalem wish all of you a great winter with lots of warmth to you from Israel.

Sincerely,
Jeff Spitzer
